1. Do you have additional partners in place, and who are they?
2. Please give a short description of the project idea including anticipated outputs, e.g. exhibitions, online displays, catalogues, resources, events. (approx. 200 words)

Please answer as many of the questions below, and in as much detail as possible, as you can at this stage.

3. Please describe how the project will benefit your research/professional practice?
4. Please describe how the project will utilise the resources offered by the Sainsbury Centre, including our collections, archives and exhibitions, as well as staff expertise? (up to 200 words)

5. Please describe how the project connects with our collections and exhibition policy (link) or our learning and outreach work (link)? (up to 200 words)
6. Please describe any wider benefits anticipated from the project, i.e. positive changes for people beyond the immediate team/institutions involved.
7. What key costs need to be covered in order to deliver this project? Please provide an outline budget (ensuring VAT is accounted for wherever it applies), showing the total required to deliver the project as well as funds you would anticipate raising through the collaboration.
8. Do you already have any support in place?
9. Please add any other comments on the project here.
