Become a fox

Decorate your face with jewellery

Brush your whiskers

Get the party ready (fox's favourite food and music etc)

Now invite your family

To dress up, I used a table cloth attached with a peg.  
I taped on leaves for ears, face painted whiskers  
and stapled on aluminium foil for decoration.

What did you use?

What else can you make using the same  
joining and attaching methods?

What happens when you incorporate new  
materials such as paper, card or fabric?
