

WORKSHOP:	What is Sculpture?
ARTIST:	Kate Munro
YEAR GROUP:	Key Stage 1 / 2
DESCRIPTION:	<p>In this workshop we invite pupils to work together in small groups to create large-scale, playful, and experimental forms inspired by Rebecca Warren's "Jean" in our Sculpture Park.</p> <p>We will discuss how sculptures are made, and how artists manipulate the materials they use.</p> <p>Students will add mass and form to a tall armature using a variety of materials and techniques including modelling, and binding. They might like to think about their sculpture as a figure, or enjoy creating something really unusual.</p> <p>At the end of the session students will consider the surface, and will have the option to cover their form with a plaster shell, and powder pigment.</p>
LOCATION:	Galleries, Outside, and Studio
PRICE:	£250
NOTES:	<p>Each 2 hour session accommodates up to 30 students. Times are typically 10-12 & 12:30-14:30.</p> <p>The outcomes of this session are unlikely to be easy to transport, so we suggest that you just take away photographs to remember the experience.</p>
AVAILABILITY	Usually only available on Thursdays and Fridays.
